Procurement Strategy India Summit & Awards was conducted in Mumbai on the 23rd and 24th of February, 2023. The Objective of the conference was to bring together the various stakeholders of different industries to discuss the key challenges and also to learn about the best procurement practices adopted by various organizations with the key focus on green procurement, strategic sourcing, and the latest innovations in procurement. Around 100 delegates from 50 different industries and sectors participated in the conference and awards.

A team of 8 members from the Materials Department participated in the conference and represented the Institution. Three Articles were prepared and submitted by the team highlighting the various initiatives taken by Materials Department in recent years. By the Grace of God, our Institution was awarded Best Green Procurement Project of the Year. The award was given considering the various green initiatives taken in Materials Department namely e-PR, e-GRN, e-PO, e-Indent, Vendor Portal and also the various green procurements done in our Institution in the recent years. The Team received the award on behalf of the Institution and thanked the entire CMC team whose efforts were honored during the award.

Procurement Strategy India Summit & Awards 2023

We thank God almighty and also take this opportunity to thank our Director, Dr. Vikram Mathews, General Superintendent, Mr. Reni Charles and Assoc. General Superintendent, Dr. Lallu Joseph for their support and encouragement. Special thanks to Mr. Ebinezar Sundarraj, Head of CHIPS Department and their team for their continuous support.

International Women's Day 2023

The Department of Obstetrics and Gynaecological Nursing, CMC Vellore celebrated the International Women's Day on 8th March, 2023. The activities were focused on the theme "DigitALL – Innovation and Technology for Gender Equality". The aim is to recognize and appreciate the valuable contribution of women in society by showcasing their importance through various means such as inspiring speeches, discussions, acting out scenarios, and visual aids like posters, ensuring that no aspect of their impact is left unmentioned. The above-mentioned events served as a positive reminder of the importance of acknowledging and commemorating the remarkable achievements of women. It also emphasized the significance of coming together to advance gender equality and foster a society that embraces and appreciates diversity. Patients and their families were encouraged by nursing students and staff to strive for a world that is fair, all-encompassing, and devoid of prejudice and unfair treatment. The occasion was unforgettable and it sparked a feeling of happiness in being a woman and spending time with other women.

World Hearing Day 2023

Every year 3rd March is observed as World Hearing Day to raise awareness on how to prevent hearing loss and promote ear and hearing health across the world. The WHO theme for this year was 'Ear and Hearing Care for all! Let's make it a reality'. The Department of ENT and the Audiology staff and students organized an awareness camp on March 4th in the town campus to create awareness on the importance of caring for one's ears, preventing hearing loss and hearing rehabilitation for the overall health and well-being of an individual. The event was inaugurated by Dr. Achamma Balraj, Retired Professor and former Head of the Department of ENT. Rev. Paul Ravikumar led the prayer of dedication.

Colourful and informative posters educating the community on common ear diseases, hazards of noise exposure, importance of hearing assessment and ear care were displayed. Various options for hearing rehabilitation were highlighted, which included both surgical and nonsurgical options. The benefits of these were explained to patients using models and videos. Staff, students, patients and their relatives who walked through the stalls were individually counselled by the doctors and audiology staff and students on the preventive measures for hearing loss. Pamphlets on Ear Care were handed out to the public. More than 100 patients benefitted from the free ear check and hearing screening organised on that day.

60-Day Fundraising Challenge

CMC's #PTP2023 campaign is seeing a fantastic response! Thanks to the generous contributions of 657 friends we have raised Rs.35.9 lakhs with an additional bonus of Rs.5.4 lakhs rewards on the GIVE challenge. 190 enthusiastic friends have created their own 'supporting fundraisers' for this worthy cause that is close to their hearts.
