Dr. Premila Lee, former Nursing Superintendent, Christian Medical College Vellore and Professor, College of Nursing, superannuated on 29th July 2023 after 39 years of dedicated service in the Institution. Dr. Lee joined in the undergraduate programme in the year 1980, completed her Masters in 1992 and subsequently finished her Ph.D in the year 2006. On completion of her under graduation she started as a staff nurse in the surgical wards and continued on in the surgical nursing department as ward incharge and then later became the nurse manager. After her masters she climbed the professional ladder to the post of professor and finishes now as the overall head of the medical surgical nursing department.

Dr. Premila has held various administrative posts both in the academic and the nursing services side. Even as a young faculty, she was given the responsibility of deputy Nursing Superintendent, incharge of Materials and Supplies for nursing services which she carried out excellently. She then became the additional deputy dean in College of Nursing, incharge of the B.Sc. nursing programme during which time she contributed much to the University and the Board (SIBE) activities. She also coordinated the first student exchange programme with the Orebro University, Sweden under the leadership of then Dean, Dr. Punitha Ezhilarasu.

Dr. Premila Lee Retires

In 2015, she went on to become the Nursing Superintendent of CMC Vellore. Under her leadership the nursing services saw dramatic expansions. The in-house workshops by different departments for the staff nurses, the research initiatives for charge nurses and staff nurses, the acceleration in the NABH accreditation and the achievement of nursing excellence status are few distinguished achievements. Through it all Dr. Lee demonstrated her unique style of collaborative, integrated and empowering leadership skills in moving forward the nursing services to greater heights.

Dr. Lee has special training in Liver Transplant nursing from Birmingham, UK. Her work experience also involves her associate professorship in RAK Medical and Health Sciences University in the Middle East where she was in charge of the Masters in Nursing programme. She was instrumental in getting the accreditation for MSN programme there.

Dr. Premila Lee had a vast administrative experience with contributions in the statutory bodies and private organisations. She has been part of INC as the Ph.D core committee member and also has contributed in developing curriculums for transplant nursing and post diploma programmes for INC. Her contributions extended to coordinating trauma and non-trauma emergency training for the government nurses of Tamil Nadu. She also served as the Chairman of the BNE SIB and contributed to the curriculum of the Diploma Nursing programme.

Her multiple additional responsibilities include her tenure as the executive editor of the Indian Journal of Continuing Nursing Education, journal published by college and as a member of many scientific committees nationally and internationally. She has been an examiner in almost all the universities in India and impressively conducted and guided multiple research projects with in the institution as well as outside. She is an excellent research teacher and is a recognised guide under the Ph.D consortium of INC and the The Tamil Nadu Dr. MGR University. So far 39 M.Sc. Nursing students and 7 Ph.D students have completed their theses under her guideship.

Her curriculum vitae is long showing her participation in national and international conferences, workshops and symposiums as presenter and resource person and she has a remarkable number of publications to her credit, thus contributing to the development of nursing knowledge. Dr. Premila has been the advisor for students' nurses association, interacting with students patiently and encouragingly which every student representative will remember. She was a dedicated teacher with an approachable personality, sincere and God fearing with an encouraging and motivating attitude which captured the attention of her colleagues and students.

Dr. Premila Lee's husband, Dr. Vernon Lee had retired from Christian Medical College Vellore as Professor and Head of Orthopaedics Department. He is now working at Naruvi Hospital in Vellore. Her daughter, Dr. Karen Lee Franklyn is an Anaesthetist working as Senior Fellow at Oxford University Hospitals; son-in-law Dr. Joshua Franklyn is Colorectal Surgeon doing his Fellowship in Robotic Surgery at South Tyneside Hospital, UK. Her son, Dr. Brian Lee works as a Resident in Neurology at Milton S Hershey Medical Centre, Penn State, USA. Dr. Premila is blessed with grandchildren Ethan and Leanne. The CMC family is thankful to Dr. Premila Lee for her rich contributions to the institution and wishes her a happy, healthy and blessed retirement life.

CMC Annual Alumni Reunion 2023

The **Medical Undergraduate Alumni Reunion 2023** was held from 10th to 12th August, 2023. About 300 alumni from various parts of the world gathered in Vellore with their families to take part in the celebrations. The special batches were the batches of 1943, 1948, 1953, 1958, 1963, 1968, 1973, 1978, 1983, 1988, 1993, 1995 and 1998.

On 11th August, 2023, the celebrations commenced with the representatives of the special reunion batches sharing their experiences and wisdom with the medical students in the meet the students session. The alumni who spoke included Dr. Alice Kuruvilla (1958), Dr. Dayalan Devanesen (1963), Dr. Victor Babu (1968), Dr. Rajiv Bajaj (1973), Drs. T. George Koshy and Shoba Anna George (1988), Drs. Viju Daniel Varghese and Nisha Miriam George (1993) and Drs. Vivek Dutt and Nisha Anne Alex (1998).

This was followed by a CME session. The speakers included Dr. Jonas Suganthan (1998), Dr. Priya Samuel (1995), Dr. Tuhina Raman (1993), Dr. Sanjay Subramanian (1988) and Dr. C.E. Eapen (1983). The CME session was chaired by Dr. Suceena Alexander, MD, DM, Professor of Nephrology & Addl. Vice Principal Research and Dr. Beena Koshy, MD, Professor of Developmental Paediatrics and Treasurer of the CMC Alumni Association.

The General Reunion on 12th August, 2023 began with traditional tree planting. Mrs Jenny Kuriakose had arranged tree saplings for all the batches. These will be planted in the new Ranipet Campus to help with improving the greenery in that campus. This was followed by the General Meeting of the Alumni Association in Scudder Auditorium, where Dr. Vikram Mathews, Director, Dr. Solomon Sathish Kumar, Principal and Dr. K.P.P. Abhilash on behalf of the Medical Superintendent presented updates about the work at CMC to the alumni and offered their felicitations. The President of the Student's Association, Mr. Rishi John Mathew welcomed the alumni on behalf of the student body and gave a brief overview about students and their activities. The Alumni Association presented the **Alumni Award of Distinction** to Dr. D. Victor Raj, in recognition of his immense contribution to CMC.

This was followed by the General Body Meeting of the Alumni Association. The alumni website was presented by Dr. K. Rajendra Benny (MBBS batch of 2007), Editor of the CMC Alumni Association through a video explaining how to use the website. This was followed by the introductions of the special batches and photographs. The alumni proceeded to the Men's and Women's Hostels, where the current students, along with the alumni, entertained the crowd and had lunch together.

At the Thanksgiving Service in the Scudder Auditorium, Dr. Sunil Gokavi (1983) gave the message. The newest batch of alumni (the present interns, batch of 2018) were given the charge to serve and not to seek to be served. Dr. Dorothy Samuel (nee Juliana) (1953), Dr. Alice Kuruvilla (1958), Dr. Helen Hemalatha Simon (1958), Dr. George Mathai (1963) and Dr. Mary Vijaya Jesudason (1963) passed on the torch of light to Dr. Denis Wilson (2018) and Dr. Nancy Joel (2018). During the service, candles were lit in memory of those who passed on in the last year from the undergraduate and post-graduate alumni.

Later that evening, Dr. Arpit Jacob Mathew (1995) and Dr. Accurate Mercy (1998) were honoured with the **College Motto Award** for their life of faith and commitment, effectively translated to one of service in the spirit of our Alma Mater for the years 2020 and 2023 respectively. This was followed by the informal entertainment, which had the packed Scudder auditorium in inspiration and splits of laughter. The alumni left with fond memories, exhilarating fun and loads of photographs to cherish their time in Vellore and looking forward to return again in 5 years to rekindle their bonds again.

College Motto award citation for the year 2020 :

Dr. Arpit Mathew completed his MBBS (Batch of 1995) and MS in General Surgery (2004-2007) from CMC, Vellore. He worked at Nav Jiwan Hospital, Satbarwa in rural Jharkhand for two years (2001-2003) as part of his undergraduate service obligation, where he was involved in a large-scale rural Tuberculosis program that later evolved into a government-accredited TB unit. Following his MS, he worked as Consultant Surgeon in the Department of Surgical Endocrinology, CMC, Vellore for two years (2007-2009) and then, after his marriage to Dr. Amy Mathew

(undergraduate from CMC, Ludhiana, Batch of 2003), he worked at Robert's Hospital, Shillong as Consultant Surgeon for two years (2009-2011). Subsequently, they moved to CMC, Ludhiana where he worked as Assistant and then Associate Professor in the Department of General Surgery for five years followed by 2 years as Medical Superintendent at Bilga General Hospital, a rural centre managed by CMC, Ludhiana. During this period, he also completed fellowship exams in laparoscopic surgery and they both did an MA program in Organisational Leadership and Management with Development Associates International. Amy completed her Diploma in Anaesthesia followed by an MD in Community Medicine from CMC, Ludhiana. Arpit was awarded the best teacher thrice in CMC, Ludhiana and has published articles in various national and international journals. He was also involved in directing and composing many Easter, Christmas and College choirs, musicals and cantatas.

In early 2018, Arpit and Amy with their three children – Ethan, Ezra and Esther – moved to the 35-bedded Madhipura Christian Hospital (a unit of Emmanuel Hospital Association), as the Medical Superintendent at a difficult time for the hospital. Since then, they have witnessed the hand of God at work, as a team of 3 doctors has grown to 15, the hospital has expanded to 100 beds with 8 specialties and has received NABH accreditation. Madhepura and its 3 surrounding districts were all classified in the worst 25 districts of India by the 2016 Health and Family Welfare Survey with 62% multi-dimensional poverty. The hospital is involved in wide-ranging community transformation activities with a focus on the large Moosahar (literally rat-eaters) community who form part of the Mahadalit people group or 'untouchables'. Livelihood development, agriculture reform, disaster relief and management, women and dalit empowerment and anti-trafficking work are integrated with community health work similar to the CHAD model as well as rural tele-medicine. The hospital has started a Montessori school on the campus (in which their own children also study) and 10 non-formal schools in the villages. The SHRISHTI Community College has also been started to train young women from marginalised families with a goal of employment and empowerment and is accredited by the National Skills Development Corporation of India. The Rupantran entrepreneurship initiative helps to produce and market quality handicrafts made by vulnerable women and the Farmers Company started this year – Koshi Kisaan Ummeed, processes and markets the produce of the farmers directly to the shelf to cut out the middlemen.

Their 3 children are an integral part of the work and life in the community, with their second son, Ezra, requiring special care due to some health challenges. In addition to directing the home-front, Amy gives anaesthesia for the surgical patients, works as the Principal and part-time teacher at the school they have started and co-leads the village education initiative. The musically talented couple have been actively involved in bringing the community together and in spreading the love of Christ in spite of difficult circumstances. Through their choices, they have exemplified our College Motto – not to be ministered unto but to minister.

College Motto award citation for the year 2023 :

Dr. D. Accurate Mercy, MBBS batch of 1998, and PG alumna of CMC Vellore, has touched numerous lives with her sincerity, compassion, infectious laughter, faith, and joy of living, providing holistic person-centred care in the Spirit of Christ. Soon after her graduation, she completed her service obligation at Kulasekaram Hospital - a rural community outreach of Kanyakumari Medical Mission. Later, she worked with EHA at Duncan Hospital, Raxaul, Bihar for 2 years, after doing her DCH in CMC Vellore. She was best outgoing resident for DCH.

Dr. Arpit Jacob Mathew (College Motto award recipient 2020)

Dr. Accurate Mercy (College Motto award recipient 2023)

Following MD Paediatrics in CMC Vellore, Accurate joined The Leprosy Mission Trust in July 2016 and has been working at TLM hospital in Faizabad, at Ayodhya, Uttar Pradesh since April 2017, along with her husband Mr. Bino Berry (Superintendent - Admin) and two young children - Daniel and Julia.

“Serving the known God on an unknown journey” truly depicts Accurate’s life experience in medical missions. She and Bino have been working tirelessly to make healing, inclusion, and dignity a reality for those affected by leprosy and other health conditions disproportionately related to poverty. In TLM, her first realization was that leprosy was not a thing of the past and the work to eradicate Leprosy and its stigma is far from over. She decided to work beyond Paediatrics to meet the needs of the hospital and the local community due to lack of doctors. Understanding the broader health needs of a marginalised population, Accurate contributes to TLM hospital's outreach medical camps to remote villages, schools, and slums, organising nutritional and educational interventions, all the while overcoming language barriers through her kindness, empathy and inclusivity.

She has also trained community volunteers in the early detection of pneumonia, malnutrition and chronic diseases, and bed-side assistants to support clinical services. Their other major initiatives include facilitating reconstructive surgery for post-leprosy sequelae through collaboration with specialists, as well as multiple reparative and restorative activities in the hospital campus, in line with the biblical vision to serve as ‘repairers of breaches and broken walls’. Retaining her interest in research and academics, Accurate is a valuable collaborator for training MPH students from CMC Vellore in field-based epidemiological research. She has also mentored numerous students and postgraduates by sharing her motivation for missions at Shiloh conferences. Presently she is also entrusted with the responsibility of Deputy Superintendent- Medical.

Accurate's life is a living testimony of God using a willing soul, doing ordinary but meaningful things every day, having an extraordinary impact on the lives she touches. By handling external pressures, family concerns and security threat and maintaining healthy working relationships with local leaders, through prayer and dedication to service, Accurate and Bino are an example to us all. Through her consistent dedication to medical missions, her unassuming personality and gentle manner, Accurate embodies the ethos and principle of the College Motto “Not to be ministered unto, but to minister”. As her batchmates we praise God for her life and are proud to present this citation for the College motto award 2023 to Dr. D. Accurate Mercy.

Alumni Award citation for the year 2023 :

Dr. D. Victor Raj was born on 15th September 1945 and completed his primary education in Trivandrum then in the Kingdom of Travancore. Following his father’s retirement from government service he moved to his ancestral home, where he completed the rest of his schooling. He completed his B.Sc. in Physics in 1965 from Scott Christian College, Nagercoil. He was the gold medallist for his M.Sc. in Physics from the American College, Madurai.

Dr. D. Victor Raj (Alumni Award recipient 2023)

He joined CMC Vellore as Senior Demonstrator in Physics on 1st September, 1967. He taught physics to many medical students and students from other courses from 1967 till 1980 until he moved to the department of radiodiagnosis. After joining the department of radiodiagnosis, he completed his Ph.D in 1984 and became professor of radiological physics since 1998.

He is an avid academician and researcher. He also took great interest in radiation safety and quality assurance. He mentored all categories of students – medical, allied health, Ph.D and was proud to see them excel in their day to day activities, exams and in their future. He also passed on his knowledge by authoring a few physics books which have been read and used extensively by various categories of students undergoing training in radiodiagnosis. Not wanting to confine himself to CMC he took on various roles in the Christian Medical Association of India

including - convenor of Medical Radiation Technologists Training committee, secretary of Allied Health Professional Section and Chairman of the Central Education board. During his tenure he made reforms to the training of medical radiation technologists and established 20 training centres. In recognition of his contribution in various roles in the CMAI he was awarded the prestigious “Alan Cranmer award” at the National Conference of the Allied health professional section of CMAI held at Goa in the year 2008.

As a Ph.D guide, his work was unique, not just because of the meticulous way in which the research was conducted but in the value of the results and its impact in improving radiation safety practices by reducing radiation doses.

His excellence as a meticulous organizer became well known and he was made Chief Superintendent for University exams and was responsible for conducting all University exams during that time. This same talent was then put into full use when he took over as head of the Archives department in 1999 till his retirement in 2005.

Following his retirement in 2005 from CMC, he continued to work in various colleges in India and abroad contributing to improve their knowledge and safety standards till 2013.

He is well known to be a student friendly teacher with great love and compassion for his students. His soft spoken nature, gentle laugh, forever smile and passion for imparting knowledge have inspired all those who have come in contact with him. The seeds he has sown in the hearts of all his students have reached far and wide in various corners of this country and around the world. He is a great resource person be it academics, history of CMC, birthdays of all people he knows and subject matter. He is passionate about technology and was the first person in the department to obtain a mobile phone. A gentle giant in radiation safety, a meticulous archiver and a humble and generous fountain of knowledge impacting the lives of all those he encountered. He lived up to the motto of the institution “not to be ministered unto but to minister”.

In recognition of his dedicated service and contribution to the life and work of the institution the Alumni Association of the Christian Medical College, Vellore is proud to honour Dr. D. Victor Raj with the Alumni Award for the year 2023.
