VELLORE - 632004

Invites you for the

# SKILLS DEVELOPMENT WORKSHOP FOR WORKING PHARMACISTS

Ms Gnanambal (first pharmacist in CMC) with  
Founder Dr Ida Scudder

We, at Christian Medical College, Vellore, take great pleasure in inviting you to be part of the upcoming workshop – ‘Skills development workshop for working pharmacists’ organized by the Department of Pharmacy on 29th July 2022. Through the one-day workshop, a team of experts will provide lectures and hands-on training on a range of topics. Our aim via this workshop is to impart skills to working hospital and community pharmacists, so that they may be competent members of the healthcare team and provide quality pharmacy services both in the hospital and community. We encourage working pharmacists to make use of this opportunity. Besides a worthy hospital exposure, Vellore also is famous for its historic fort a place to visit. We welcome you to visit Christian Medical College, Vellore and be a part of this workshop.
