FLUID RESEARCH GRANTS

The grants or facilities offered for the staff and students of CMCH are described below:

Two types of Fluid Research Grant (1. Seed Research Grant, 2. Major Research Grant) and Core Research Staff position are offered to support research in our institution. A detailed description of these facilities are given below:

I. SEED RESEARCH GRANT

- ❖ For each research proposal approved for Seed Research Grant the Research Committee sanctions a maximum amount of **Rs. 1,50,000/- per year** for expenses on investigation, computer use.
- ❖ Stationary, printing material and paper should not exceed Rs. 8000/- of the allocated fluid grant irrespective of the study duration.

The objective of providing the seed grant is to encourage researchers to do pilot or small studies which then will help to attract external funding agencies for getting larger grants for further research.

II. MAJOR RESEARCH GRANT

Rules for revised major fluid research grant

➤ **Revision of Major fluid research grant amount:**

1. The allocation for major fluid research grant is increased from Rs. 4,00,000 for 2 years to Rs. 8,00,000 for 2 years.
2. In a year, a maximum of 6 major fluid research grants will be allowed.

Note: If there is more than ONE application received:

- A 3-member **selection committee** formed by the VP research will approve funding for proposals on a **quarterly basis** based on the terms and conditions.

**OFFICE OF THE VICE PRINCIPAL (RESEARCH)
CHRISTIAN MEDICAL COLLEGE,
VELLORE 632002, TAMIL NADU, INDIA**

- The study must be approved by IRB prior to selection committee review.

➤ **Changes in terms and conditions:**

(i) Criteria for an individual researcher:

CURRENT	REVISED
<ul style="list-style-type: none"> ▪ Confirmed medical faculty– Assistant Professor Grade I & II; Associate Professor Grade II. 	<ul style="list-style-type: none"> ▪ Confirmed Medical faculty– Assistant Professor Grade I & II; Associate Professor Grade I & II. ▪ Confirmed Non-medical Post Docs– Up to Associate Professor Grade I equivalent. ▪ At least 50% of the awarded grants will be availed by confirmed medical faculty.
<ul style="list-style-type: none"> ▪ Only one major research grant may be used at a time by the given Principal Investigator. 	<ul style="list-style-type: none"> ▪ An Individual can avail Major fluid grant only once in his/her tenure.
<ul style="list-style-type: none"> ▪ He/ She should have received at least one Fluid Research Grant or applied for grant from an external agency in the past at least as Co-Principal Investigator (co-PI) 	<ul style="list-style-type: none"> ▪ He/ She should have at least one fluid research grant funding as a PI (or) external grant funding at least as a co-PI.
<ul style="list-style-type: none"> ▪ He/ She should have at least 3 research papers published in National / Inter-national Journals related to this field, preferably indexed. ▪ Those who have been currently actively engaged in research work 	<ul style="list-style-type: none"> ▪ At least 1 research paper published in National / Inter-national Journals related to this field, preferably indexed.
