Situations Vacant

Dr. Vivi Miriam Srivastava retired from Christian Medical College Vellore as Senior Professor on the 25th of July, 2024 after decades of memorable service in the Departments of General Pathology and Cytogenetics. Dr. Vivi was born in 1959. Dr. Vivi is the third of four sisters, two of whom are alumni. Dr. Elizabeth Mathew is from the batch of 1964, and Dr. Rebecca Susan Mathew is from the batch of 1966. Dr. Vivi joined CMC Vellore as part of the MBBS batch of 1976. After passing out, she worked as a demonstrator in the departments of Clinical Pathology, Physiology, and General Pathology, and subsequently completed her MD in Pathology from the institution in 1990. After completing her post-graduation, Dr. Vivi worked in Sydney for three years and in 1993 joined as faculty in General Pathology. While in Sydney, she had worked in Cytology and consequently brought new life to CMC's cytology service by starting the practice of Diff Quik staining at the bedside to check for adequacy of cytology specimens, a procedure which brought great joy to surgeons and pathologists alike. A stickler for detail and a perfectionist, her opinion was sought by clinicians and pathologists alike when any biopsy was sent to the department. Dr. Vivi underwent training in cytogenetics through a UICC fellowship at Memorial Sloan Kettering Cancer Institute. She supplemented this training with observerships at the Baylor College of Medicine, Brigham and Women's Hospital in the United States, and at Kidwai Memorial Institute of Oncology. She commenced the cytogenetics service at CMC in 2001, formed a Cytogenetics unit in 2003, and subsequently, an independent department in 2019.

The establishment of the Cytogenetics Department is a testament to Dr. Vivi's resourcefulness and perseverance. She often recounts how she struggled in the early days with sparse space and equipment, and with a single technician, whom she trained herself. Recognising the need for trained personnel in this area, in 2006 she started a post-graduate diploma course for training cytogenetic technologists, the first of its kind in the country. Technologists who graduated from the programme went on to staff the growing unit. Furthermore, in 2008, Dr. Vivi started a university-recognised post-doctoral fellowship course in Cytogenetics. This is currently the only university-recognised formal training programme for cytogenetics in India. The fellows who graduated from the course comprised the first generation of formally qualified cytogeneticists who were trained within the country. The role of Dr. Vivi in fostering the development of the speciality of cytogenetics in the country cannot be overstated.

The establishment of a Cytogenetics laboratory supported the growth of many clinical specialities within the institution. The laboratory kept pace with the rapid advancements in genomics that took place in the 2000s. It soon earned recognition as a centre for training and excellence in cytogenetics. The laboratory launched an external quality assurance scheme for cytogenetic laboratories in 2011 and received National Accreditation Bureau for Laboratories (NABL) accreditation in 2016. Dr. Vivi took up the headship of the Pathology Department in 2016. During her tenure, she streamlined undergraduate education, and directed and facilitated the creation of a virtual museum of gross specimens, that was accessible to all students on the E-learning website. The winter symposium of CMC's centenary year was conducted through the combined efforts of the Departments of Pathology, Transfusion Medicine, and Cytogenetics, under her leadership. The crowning glory when she finished her headship was that she got the Pathology department NABL accredited.

Dr. Vivi became head of the Pathology Department in 2016. During her tenure, she improved undergraduate education and oversaw the creation of a virtual museum of gross specimens for students. She also led the collaborative efforts of multiple departments for the winter symposium and achieved NABL accreditation for the Pathology department. Dr. Vivi is an exemplary teacher. Ever practical, she ensured that fellowship trainees gained experience in bench work in addition to interpretative skills. This training allowed them to independently establish laboratories and train their personnel wherever they proceeded to work. Her trainees learnt not merely how to set up cultures, but how to conduct themselves with discipline, dignity, and decorum within the laboratory and outside. Dr. Vivi held an almost maternal regard for her technicians and trainees. She diligently inquired into their situations, counselled them extensively, and often went to great personal lengths to assist them in times of difficulty. While selecting or promoting trainees or employees, she valued qualities of neatness, discipline, honesty, politeness, and attention to detail above cleverness or academic credentials. Colleagues came to appreciate her unconventional wisdom that was often delivered through pithy sayings and anecdotes.

Dr. Vivi's meticulous attention to detail was an asset in research and academics. She has contributed to more than 50 scientific publications and guided several academic theses. Various committees and standard-setting bodies have benefitted from her expert insights. She contributed towards the formulation of the NABL standards for cytogenetic laboratories. She served as a member of the Tamil Nadu Dr. M.G.R. Medical University board for undergraduate and postgraduate studies. She was also a member of The Tamil Nadu Dr. M.G.R Medical University expert committee to reframe the Pathology syllabus for MBBS and MD.

Beyond her professional achievements, Dr. Vivi is a doting mother to her sons, Nikhil and Vineeth, and the lady behind Dr. Alok Srivastava's success. Her vivacious and sociable personality has won numerous friends and admirers within and outside the CMC community, and her melodious singing voice has graced many campus events. As Dr. Vivi enters a new phase in her life, the departments of General Pathology and Cytogenetics express their gratitude for her years of committed service. Her imprint will endure in these departments, the institution and community, and among her students, wherever they work. We wish her the best for the golden years ahead.

World Blood Donor Day 2024

Rallying for Increased Awareness on Voluntary Blood Donation in Vellore

A rally was organised by the Department of Transfusion Medicine and Immunoematology (TMIH) at CMC Vellore, on July 19, 2024. The rally started at Voorhees College and concluded near Anna Kalai Arangam on Anna Salai, with around 400 participants, including students from various colleges and local community members and NGOs. The rally aimed to raise awareness about the importance of voluntary blood donation and encourage more people to become regular donors. Dr. Dolly Daniel, Senior Professor and Head of TMIH, welcomed the attendees and highlighted the critical role of youth in society and the value of voluntary blood donation. The guests of honour at the inauguration included Rt. Rev. Sharma Nithyanandham, CSI Bishop in the Diocese of Vellore, Dr. Annie Kamala Florence, Principal, Voorhees College, Dr. David Mathew, Deputy Medical Superintendent, CMC, Dr. Jackwin Paul, Red Cross Coordinator, CMC and Dr. Deepak G, Assistant Professor from the Department of Transfusion Medicine at the Government Vellore Medical College Hospital.

Addressing the participants, the Bishop encouraged the youth to be mindful of societal needs and emphasised that voluntary blood donation greatly serves the community and applauded the contributions of repeat voluntary blood donors. Dr. Daniel emphasised the urgent need for blood to meet patient care demands and expressed hope that the rally would sensitise the community to the importance of regular voluntary blood donation.

The event also addressed common misconceptions about blood donation, reassuring the public that donating blood is a safe and noble act. Dr. Daniel encouraged everyone to try donating blood at least once, assuring them that the experience is rewarding and contributes significantly to saving lives. Dr.Bochu Vikas and Mr. Sam, both associated with the department, reiterated the life-saving impact of blood donations and the need to increase community awareness about the safety of blood sourced from voluntary donors. Participants like Abigail, a 1st-year BSc Nursing student, and Joel Sooraj, an MBBS student, shared their motivations for joining the rally, emphasising the influence of healthcare professionals in spreading awareness and the direct impact of blood donation on saving lives. The rally received positive feedback from the local community, with a vendor expressing support for the cause and recalling his experience as a donor. The closing ceremony, hosted by Mr. Durai Jasper, PRO, CMC Vellore honoured voluntary donors and rally participants. Mr. Thirunavukkarasu, DSP of Vellore, felicitated the gathering and expressed his gratitude for their service to the nation.

The event ended with a prayer by Rev. Joseph Devaraj, Chaplain, and refreshments were served. CMC's Voluntary Blood Donation Team organised the programme in partnership with Nalam Deepalaya Trust, Vasavi Trust, and the Darling Group. We thank the participating colleges, Friendship Trust, Sign to Shine Trust, other organisations, and the Vellore Police & Traffic Department, for their support and cooperation. A blood donation camp was organised after the rally, at which several persons donated voluntarily. In summary, the Voluntary Blood Donor Rally was a successful event that brought together various segments of society to promote voluntary blood donation, aiming to ensure a steady supply of safe blood for patients in need. The collective efforts of CMC, participating colleges, and supporting organizations played a crucial role in making the rally a meaningful and impactful initiative.

Report of CMC-IFAS Foot and Ankle Basic Course 2024

The Department of Orthopaedics Unit –I conducted the Foot and Ankle Basic Course along with the Indian Foot and Ankle Society on July 27th 2024. This programme was accredited by the Tamil Nadu Dr. MGR Medical University and the Tamil Nadu Medical Association and conducted under the aegis of the Vellore Orthopaedic Society, Tamil Nadu Orthopaedic Association, Orthopaedic Association of the South Indian States and Indian Orthopaedic Association. It was attended by 174 members (166 in person and 8 online viewers comprising mission hospitals). The inauguration was by Dr. Vernon Lee and Dr. Vinoo Mathew Cherian (Past Heads of Unit-1 and the Department of Orthopaedics) in the presence of Dr. Rajesh Simon (Immediate past president IFAS), Dr. Inderjit Singh (Secretary, IFAS), Dr. Deen Muhammed Ismail (President of Tamil Nadu Orthopaedic Association), Dr. Dharmarajan (TNOA North Zone EC Member), Dr. Mohan Gandhi (Head of Orthopaedics, Govt Medical College, Vellore) Dr. Manivanan (President, Vellore Orthopaedic Society), Dr. Deepak Selvaraj (Associate Director, CMC), Dr. Thilak Jepagnanam (HOD, Dept of Orthopaedics), Dr. Asha Solomon (Professor, CMC Nursing College). The forenoon session was the Continued Medical Education programme.

There were lectures taken by senior faculty from every unit of the Division of Orthopaedics namely Dr. Anil Oomen (Head, Orthopaedics Unit -II), Dr. Viju Daniel, (Professor Orthopaedics Unit -III), Dr. Sam C Raj (Head, Hand Surgery) and Dr. Abhay Gahukamble (Professor, POR) and national faculty from the Indian Foot & Ankle Society and TNOA, representatives from the Vellore Orthopaedic Society, and a specially invited past faculty like Dr. Isaac Jebaraj and others. A wide range of topics were covered across 5 sessions, based on which a Quiz competition was conducted. There was also a general orthopaedic E-Poster competition, and for both the competitions the winners and runner-ups received a medal, certificate and a prize book each. The judges for the E-Poster competition were Dr. Gopishankar (HOU, JIPMER, Pondicherry), Dr. Vidhyasagar (Ortho-I, Coimbatore) & Dr. Justin Arockiaraj (Department of Spine, CMC)

E-Poster Competition: Winner: Dr. Jane Runner-up: Dr. Raj Kumar

Quiz Competition: Winner: Dr. Silambarasi, Runner-up: Dr. Gruz Richardson

The afternoon session consisted of a Saw-Bone Workshop and a Soft tissue workshop, both were enthusiastically attended by postgraduates and junior consultants equally. The resource faculty for the saw bone workshop were Dr. Inderjit Singh, Dr. Dharmarajan, Dr. Subin Babu & Dr. Santhosh Kumar Govind and for the Soft tissue workshop (Tendon and vascular repair) were Dr. Anil Mathew, Dr. Kathir Joyson & Dr. Krupakaran Ganesan.

The conference kit was provided by a Bangalore-based NGO, that rehabilitates disabled children. Orthopaedic implant companies have supported some of the arrangements for the conference and 10% of the registration fees are being remitted to the Indian Foot & Ankle Society as per the requirement.

We thank the distinguished faculty and all the delegates for making this event a grand success, we look forward to many more such events in the future. The team is thankful for the efforts of the organising team (Jeremy Bliss Dorai, Organising Secretary; Convenor: Dr. Dan Barnabas Inja, Associate Secretaries: Dr. Manisha J Kumar, Dr. Anand Kurian, Members: Dr. Krupakaran G, Dr. Surya, Dr. Bhuma, Dr. Solomon, Dr. Santhosh Raj, Dr. Samuel Santhosh, Dr. Jozy and Dr. Arjun Bhumreddy) for the success of the event.

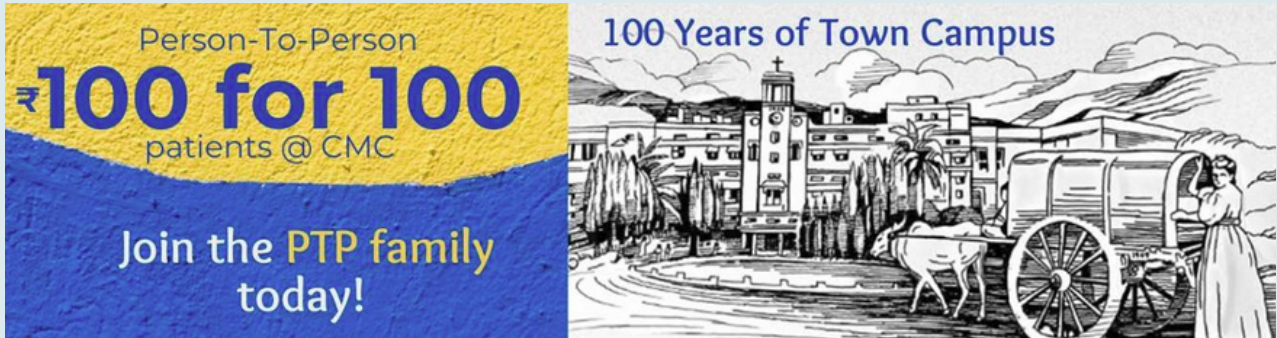

Cardiac Advanced Resuscitation Training

On July 27th, 2024, the Department of Anaesthesia Unit IV organised "The Cardiac Advanced Resuscitation Education" at Jacob Chandy Hall, CMC, Vellore. The event aimed to emphasize the importance of adhering to best practices in STS/EACTS protocol for Resuscitation post-cardiac surgery, cardiac surgical emergencies, and cardiac arrest moulage and management with chest opening. The afternoon session covered clinical scenarios, including epicardial pacing and redo sternotomy, to equip all categories of practitioners with the necessary knowledge and skills to deliver high-quality care while minimizing risks and ensuring safe and scientifically sound practices. The program provided a forum for participants to share their experiences and learn from each other. The scientific session included a series of lectures by renowned faculties. The workshop was attended by 32 delegates, who greatly appreciated and benefited from the workshop.

PTP 100 for 100

As we celebrate 100 years of Town Campus, we invite you to join the Person to Person (PTP) Campaign. This year, our goal is to help 100 MORE patients through PTP. You can sign up for PTP monthly salary deduction https://bit.ly/PTP_100for100. A minimum gift of ₹100 or ₹1,000 per month (or multiples of 100) will help us reach our goal. Your contribution, no matter the size, will make a significant difference in the lives of our patients.

CMC staff, students and staff families are encouraged to participate in '**PTP thro' my eyes**' - a video and story competition. The best 3 entries will be published on CMC's giving website – givecmc.org and receive cash prizes!

PTP thro' my eyes -

- o First-hand experience where you facilitated charity for a deserving patient
- o A patient's unique story of healing in CMC (subsidised care, food, stay etc)
- o Importance of our mission to care for economically disadvantaged patients

Guidelines

1. Theme: PTP thro' my eyes- a video and story competition.
2. Open to all CMC staff, students and staff families. Multiple entries accepted
3. Languages – English and Tamil
4. Deadline: 26th August 2024 (Monday) before 9.00am
5. Send your entries to dev.office@cmcvellore.ac.in or WhatsApp to 83002 05559 with your
 - a. Name
 - b. Contact number
 - c. Department / Emp No.
6. If patient(s) are featured in your video/photo/story, submit the written consent from the patients. English, Tamil, Bengali and Telugu consent forms are available on the intranet.
7. Video
 - a. Duration – max 2 mins
 - b. Format - MP4
 - c. Can be done individually or as a group of 3 members
8. Story
 - a. Story word count – max 300 words
 - b. Individual entries only

Looking forward to your participation! For any support, please contact Shirley in the Development Office – 3509/2486.

Special Prayers This Week

August 11 - 17, 2024

Division of Surgery : Dr. Inian S. and Staff

Dr. Sheela Durai and Staff

Endocrine Surgery : Dr. Paul M.J. and Staff
Dr. Anish Jacob Cherian

Surgical ICU : Dr. Shoma V. Rao and Staff

Hepato Pancreato Biliary Surgery (HPB) : Dr. Ravish Sanghi Raju and Staff

Vascular Surgery : Dr. Dheepak Selvaraj A. and Staff

Trauma Surgery : Dr. Sukria Nayak and Staff

Kotagiri Medical Fellowship Hospital, Kotagiri.

Welcome

Dr. Kirubakaran, Professor, Anaesthesia Department, on his return from study leave.

Memoranda

- **Dr. Yacob Myla**, Professor, General Surgery Unit-III is appointed as Associate Medical Superintendent, In-charge for Surgical Services in CMC Vellore, Town Campus with effect from 1st August 2024 for a four year term.
- **Dr. Balamugesh T**, Professor & Head, Department of Pulmonary Medicine is appointed as Associate Medical Superintendent, In-charge for Medical Services in CMC Vellore, Ranipet Campus with effect from 5th August 2024 for a four year term.
- **Dr. Prabhu Premkumar**, Professor, Department of Vascular Surgery is appointed as Associate Medical Superintendent, In-charge for Surgical Services in CMC Vellore, Ranipet Campus with effect from 2nd September 2024 for a four year term.
- The term of **Dr. Jenifer Jeba S**, Professor & Head, Department of Palliative Medicine, as Head of Medical Records is extended with effect from 1st September 2024 for one year.
- **Dr. Dorothy Lall**, Assistant Professor, Community Medicine Unit, Chittoor Campus is appointed as Acting Deputy Medical Superintendent for Diagnostic Services & Statutory requirements in CMC Vellore, Chittoor Campus with effect from 10th September 2024 until further notice.
- **Dr. Leah Thomas**, Assistant Professor, ENT Unit, Chittoor Campus is appointed as Acting Deputy Medical Superintendent for OPD Services, Insurance programmes & Patient Advocacy Cell in CMC Vellore, Chittoor Campus with effect from 10th September 2024 until further notice.

Laurels & Recognitions

- The **Department of Neurological Sciences** for the successful performance of the **First** case of **Deep Brain Stimulation** in CMC Vellore.
- **Dr. Monikha S.S.** and **Dr. Lekshmi**, M.Ch. trainees in Gynae Oncology bagged the first prize in the Oncology quiz competition at the KIDWAI Memorial Institute of Oncology Golden Jubilee CME event, Bangalore on 13th July, 2024.

Retirements

- **Erratum : Mrs. Kondamma N.**, Sr. Hospital Housekeeping Attendant, Hospital

Maintenance, retired on 1st July 2024, after 41 years of dedicated service to our institution. Her husband Mr. Isaac is a retired HHKA in the main operation theatre. They have one daughter and two sons. Their daughter Ms. Ruby is a Diploma Nurse in the Respiratory Isolation ward, Ranipet Campus and their sons Mr. Raj Kumar is an HHKA in Maintenance and Mr. I. Madhankumar is a Staff Nurse in MICU. She is also blessed with 4 granddaughters and 2 grandsons. The CMC family is thankful to Mrs. Kondamma N. for her service in this institution and wishes her a happy retired life.

- **Mrs. Satchina Mary**, Sr. Gr. Staff Nurse, Urology OPD, CMC Vellore, Ranipet Campus, retired on 17th June, 2024 after completing 25 years of service in our institution. She completed her General Nursing & Midwifery at Scudder Memorial Hospital, Ranipet, in July 1988. She worked as a Staff Nurse at SMH, Ranipet (1988-1992) and at St. Thomas Hospital & Leprosy Centre, Chettupattu (1992-1996). She joined CMC as a Staff Nurse in O3East ward in February 1999 and has worked in the Urology OPD at Ranipet Campus. She is a calm, active, and cheerful staff member with excellent communication skills, effectively interacting with the healthcare team, clients, and their families.

Confident and knowledgeable about Urology OPD routines and procedures, she responsibly manages tasks during the Charge Nurse's absence and oversees supplies and equipment. She also guides junior staff nurses and demonstrates excellent assessment skills. Additionally, she serves as the ward's hand hygiene champion in O3East. Her husband Mr. Santhosham R., is a retired Health Educator from Karigiri. Her daughter Ms. Evangeline Shalom Nissi S., is doing final year B.Sc. (N) in College of Nursing, CMC. The CMC family is thankful to Mrs. Satchina Mary for her efficient and dedicated service to this institution and wishes her God's blessings in her retired life.

Obituaries

- **Mr. Sakthivel**, House Keeping Attendant Gr.II, Centre for Stem Cell Research, husband of Mrs. Jothi, Patient Care Attendant, Ranipet Campus, son of Mr. Saravanan, Retired HHKA, Engineering Department Mrs. Thulasiamma, HHKA, OPD Services and brother of Mr. Srinivasan, HHKA, Hospital Maintenance on 8th August 2024. Let us uphold his father Mr. Saravanan, mother Mrs. Thulasiamma, wife Mrs. Jothi, son Mithran (12 years), daughters Anjana (9 years) & Akshaya (9 years) and all the bereaved members of the family in our prayers.

- **Dr. Robert (Bob) H. Carman (1931 – 2024)** CMC Vellore's former Head of Clinical Pathology and Associate Director, on Saturday, the 10th August, 2024.

Dr. Carman, who was an outstanding physician and exemplary administrator, became part of the CMC family as a teenager, when his parents, Dr. John Carman, surgeon and former Director, and Mrs. Naomi Carman joined the institution in 1945.

Dr. Carman wished to pursue a career in surgery like his father, but finally chose Clinical Pathology because he had a coagulation problem that meant he could not stand for long periods of time. Having made his choice, he put all his efforts into becoming the best clinical pathologist he could be. After completing his American Board in Pathology and Clinical Pathology, he joined the department of Clinical Pathology in 1964. In the department, he set high standards and was largely responsible for its development (specifically for the development of special tests in coagulation and hemolytic anaemia in the present form) and for the growth of CMC's Blood Bank. His text book on Clinical Pathology was well-used and regularly updated and is one of the most highly referenced handbooks for lab technicians in the region.

He is also remembered especially for his contribution to the Laboratory Technician Training programme which he ran for many years under the auspices of the CMAI. This took him all over the country to many mission hospitals and other small hospitals.

He was a much respected and loved colleague whose sage advice was greatly sought after and appreciated. He nurtured the staff of the department and the Blood Bank, leaving behind him many competent people who could take over when he moved into administration.

Exemplary administrator

From 1974, Dr. Carman was actively involved in the administration of the institution, first as Council Secretary from April to December 1975, then as Deputy Director from 1976 to 1981, and finally as Associate Director (Medical), a position he took up in 1981 and held till his retirement in December 1991.

His kindness and courtesy in dealing with all staff, awareness of justice for all, and interest and concern for individuals have been the hallmarks of his service in the administration. He also provided a sympathetic ear to many a distressed youngster, patiently responding to their questions and concerns about life and work in CMC.

His commitment to the accuracy of statements led him to spending hours in drawing up letters and documents. His insight, knowledge, and memory of mission background and work was a great asset. He strengthened the overseas volunteers programme as well as steered the institution through various crises. His efforts in raising funds for various projects from donor agencies overseas is remembered with gratitude.

Brilliant teacher, caring mentor

He was a brilliant teacher and could keep his students enthralled, even during the post-lunch sessions. Both he and his wife Lucille (Lu) kept open house and were deeply involved in student activities. They were the foster parents for many medical students, past and present, who looked to them for inspiration and guidance.

Active involvement in community life

Dr. & Mrs. Carman enriched the life of the campus in various ways, and especially with their involvement in the college and hospital choirs. Dr. Carman was a faithful and wonderful conductor of the choir, initially at the hospital and then in the college, despite the significant time and logistical effort it would have taken to do this, Sunday after Sunday. He also led the choir in special performances like the musicals of John Michael Talbot - The Lord's Supper and Light Eternal, apart from the traditional Easter and Christmas special choirs. He brought a sense of joy and worship to singing and taught his students to see the music as an offering to God; that the choir was leading a worship service and not putting on a performance with focus merely on technical perfection.

A true Christian

His faith was not showy but deep. He was a lay reader at St. John's and a leader in the church. He practised his faith every day and was an outstanding Christian of exceptional character and gifts. His self-discipline, commitment, sacrificial life, unlimited patience and singleness of purpose made him a great asset to the administration as well as a source of wisdom and comfort to innumerable members of the CMC family. It was said that he was like the cement that kept the bricks together in a wall or the glue that helped the community stick together.

Doting husband and father

He was a committed husband to his extremely supportive wife, Lucille, a qualified librarian who was actively involved in the community life at College Campus, in Church and in the Chaplaincy Department. She also helped in starting the Archives of the institution, specially the photography section. The Carmans had four children, Chuck, Jim, Betsy, and Paul.

Post-retirement

After his retirement, as a Council member, he represented the Board for International Ministries of the American Baptist Churches from June 1993 to January 1994 and the Vellore CMC Foundation, Inc. (erstwhile: Vellore C.M.C. Board Inc., N.Y.) from June 1994 to June 1997.

At the time of his passing on, I thank God for his life of service.

On behalf of the CMC family, I record my deepest gratitude to Dr. Robert H Carman, former Associate Director and former Head of Pathology and Clinical Pathology, sponsored by the Board of International Ministries of the American Baptist Churches USA, for the extraordinary services - both in the professional and personal spheres - he has rendered to our institution over a lifetime in the healing ministry of Christ.

Situations Vacant

Click the following link to view the vacancies
<https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Vacancies under the Principal's Office - for queries contact the mentioned office

1. Senior Resident / Assistant Professor with MD (Radiology) for the Department of Radiology

Experience : Should have at least one year teaching experience as Assistant Professor in any NMC recognized teaching institution for applying Assistant Professor Job.

Salary Scale : As per institutional rules.

Accommodation : Provided (Partly Furnished, Depending on availability).

Applications are to be done only through the online application system.

Please log on to: <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Hard Copies and emails will not be accepted.

Applications will close by **August 17, 2024** for **Item 1**.

2. Senior Resident / Assistant Professor with MS (ENT) for the Department of ENT-III

Experience : Should have at least one year teaching experience as (Asst. Professor) in any NMC recognized teaching institution for applying Assistant Professor post.

Salary Scale : As per institutional rules.

Accommodation : Provided (Partly Furnished, Depending on availability).

Applications are to be done only through the online application system.

Please log on to: <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Hard Copies and emails will not be accepted.

Applications will close by **August 17, 2024** for **Item 2**.

3. Demonstrator (NM) (Term Post) with M.Sc., (Biostatistics) / M.Sc., (Statistics) for the Department of Biostatistics

Preference will be given to those who have worked in the research project as Statistician for 2 years.

Job Description : Candidates should handle Biostatistics classes for M.Sc., Biostatistics, Nursing & AHS students and offer statistical consultation to PGs, faculties, etc.

Salary Scale : As per institutional rules. **Accommodation :** Not Provided.

Applications are to be done only through the online application system.

Please log on to: <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Hard Copies and emails will not be accepted.

Applications will close by **August 24, 2024** for **Item 3**.

4. Senior Resident / Assistant Professor with MS (Orthopaedics) for the Department of Orthopaedics (CMC Vellore, Chittoor Campus). Salary : As per institutional rules.

Experience : Should have at least one year teaching experience as (Asst. Professor) in any NMC recognized teaching institution for applying Assistant Professor post.

Accommodation : Provided (Partly Furnished, Depending on availability).

5. Senior Resident / Assistant Professor with MD (Dermatology) for the Department of Dermatology (CMC Vellore, Chittoor Campus). Salary : As per institutional rules.

Experience : Should have at least one year teaching experience as (Asst. Professor) in any NMC recognized teaching institution for applying Assistant Professor post.

Accommodation : Provided (Partly Furnished, Depending on availability).

6. Senior Resident / Assistant Professor with MD (Dermatology, Venereology and Leprosy) for the Department of Dermatology Unit – I

Experience : Should have at least one year teaching experience as (Asst. Professor) in any NMC recognized teaching institution for applying Assistant Professor post.

Salary : As per institutional rules.

Accommodation : Provided (Partly Furnished, Depending on availability).

7. Senior Resident / Assistant Professor with MD (Dermatology, Venereology and Leprosy) for the Department of Dermatology Unit – II

Experience : Should have at least one year teaching experience as (Asst. Professor) in any NMC recognized teaching institution for applying Assistant Professor post.

Salary : As per institutional rules.

Accommodation : Provided (Partly Furnished, Depending on availability).

Applications are to be done only through the online application system.

Please log on to: <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Hard Copies and emails will not be accepted.

Applications will close by **August 24, 2024** for **Item 4, 5, 6 and 7.**

8. Project Scientist – II (Non – Medical) for the Department of Community Health Chittoor Campus

Job Code : 1530

Qualification: Ph.D in a relevant health science discipline (public health / social work / health systems / health management) or 1st class PG Degree (MSW / MPH (Public Health Management / Health Systems) / Med. Soc.) + 3 years' Experience.

Experience : 3 years. **Age Limit :** 40 years.

Job Description : To coordinate project activities at public health facilities in Chittoor District. This ICMR project aims to improve the service delivery and care for persons with NCDs in the public health system delivery system. The role will involve liasoning with teams in the public health delivery system. The project coordinators will also need to supervise a team of field staff that will do data collection and motivate teams for implementation at the health facilities.

External Salary: Consolidated Rs.73,030/- (Including HRA).

Job Condition : Implementation Research Project in Chittoor District, Andhra Pradesh.

Job Preference : Those with fluency in Telugu will be given preferences. Experience in managing research projects, research methods, qualitative research, health systems and familiarity with the government public health delivery system is desirable.

Mode of Appointment: Project. **Accommodation:** Not Provided.

Applications to be done only through online application system.

Please log on to: <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Hard Copies and Emails will not be accepted. Applications will close by **August 17, 2024** for **Item 8.**

9. Project Technical Support III – 4 Posts (ICMR Project) for the Department of Community Health Chittoor Campus **Job Code : 1552**

Qualification: MPH / Med. Sociology.

Experience : Experience with Public Health delivery system, research.

Gender : Women (Preferred). **Age Limit :** 35 years.

External Salary: Consolidated Rs.30,520/- (Including HRA).

Job Description : To Conduct activities in the project at public health facilities in Chittoor District. This ICMR project aims to improve the service delivery and care for persons with NCDs in the public health delivery system. The role will involve travel to public health facilities across Chittoor District to assess and motivate the teams for implementation at the health facilities. Data Collection including facility assessments, interviews, surveys will need to be done.
