Christian Medical College Vellore is a world-renowned tertiary care hospital and medical training institution, with over 125 years of service, conducting various training programs including undergraduate and postgraduate courses in various branches of medicine, nursing and allied health specialities.

The Centre of Bioethics, New Delhi is a national registered society, founded by 15 Christian Institutions with the intent to improve healthcare provision in India through Bioethics. TCB has developed a number of bioethics modules, published two books titled 'Practical Bioethics'. It also conducts several bioethics workshops across India to further the cause of Christian Bioethics.
