Signature of applicant  
including name, title and  
capacity in which application is made

Date:

Encl:

1. Schedules duly filled in the prescribed form.
2. Evidence of authority to sign.
3. Latest Company brochures.

## GENERAL CONDITIONS

---

## GENERAL CONDITIONS

### 1.0 INTRODUCTION

Applications are invited from well reputed and experienced building contractors for being pre-qualified for Tendering for the Construction of Christian Medical College Vellore, Chittoor Housing for Teaching Hospital Project.

### 2.0 BRIEF DESCRIPTION OF THE PROJECT

The site for construction of proposed Buildings is located at, at 190 Ramapuram, 189 Kothapalli Post , Gudipala mandal ,Chittoor District, AP

The project will be executed as a **single-package turnkey contract**, with the **entire scope of civil, structural, MEP, interior finishes, fit-out and external development works entrusted to one contractor**, ensuring unified responsibility and seamless coordination across all project components.

The proposed construction comprises of Housing Blocks Type – BCD, LIQ/MIQ and Community Hall, having a total built up area of 1,28,961 sqft and other related infrastructure developments. The construction is expected to be started in the month of July 2026 and to be completed in **12 months' time**.

### 3.0 SCOPE OF WORK

3.1 This turnkey scope includes, but is not limited to:

- Entire **civil works** for substructure and superstructure, including structural works.
- Interior Finishes & Fit out
- **MEP works**
- **External site development**, including roads, drains, landscape, and utilities
- Full coordination with **Mechanical, ELV and other service works** executed by specialist agencies

The project, though awarded as a single turnkey contract, will be executed in phases. Phase 1 will commence with the LIQ/MIQ blocks. Other blocks, will be taken up in subsequent phases. BOQ and tender drawings will be issued block-wise as each phase is scheduled to start.

All works shall be carried out as per approved drawings, specifications and the instructions of the Engineer-in-Charge.

The work shall be carried out as per agreed datelines of the blocks.

A full-scale mock-up of the specified interior works, including dry-wall partitions, wall finishes, ceiling systems, joinery elements and related details, shall be executed at site for review and approval prior to commencement of bulk execution.

3.2 Applicants shall fulfil the following basic pre-qualification criteria and documentary evidences to this effect are to be furnished in all respects as per attached schedules.

- a) The applicant must be a building contractor of repute with prime activity in construction of buildings preferably having a base in India with a local office and equipment and manpower (Information to be supplied in Schedule A).
- b) The applicant should have minimum Turnover of around Rs 200-300 crores per annum during the last 3 years (Information to be supplied in Schedule B).
- c) The applicant must have completed civil and other works similar to the scope of work, for R.C Framed Multi-storey buildings for a) two projects of minimum value of Rs. 100 crores, or b) three projects of minimum value of Rs. 75 crores, within the originally stipulated contract period during the last five years (Information to be supplied in Schedule D-1 and D-2).
- d) The applicant must have experience and adequate resources for carrying out electrical works including sub-stations DG Sets, etc., and plumbing works also apart from civil works.
- e) Clear status of Income Tax as on date with copy of latest income tax clearance certificate.
- f) The applicant should have strong organisation with adequate number of qualified engineers and other technical staff (Information to be supplied in Schedule G).
- g) The applicant should not have any history of Litigation and levy of Liquidated Damages (Information to be supplied in Schedule E).
- h) Plant & Equipment (Information to be supplied in Schedule C)
- i) Verification of Satisfactory Performance of the Contractor's work will be made by a committee by approaching the owners of the building that have been successfully completed by the contractor.
- j) The applicant should give additional information, if asked by the Client

#### 4.0 INSTRUCTIONS TO APPLICANTS

4.1 Pre-qualification documents including questionnaire as detailed hereinafter complete in all respects shall be submitted to **The General Superintendent, Christian Medical College, Ida scudder Road , Vellore – 632004** , on or before **09/02/2026 by 15.00 hrs.**

4.2 Pre-qualification document contains 10 numbers of forms as follows:

- a) Prequalification Application
- b) Schedule 'A' Structure and organisation
- c) Schedule 'B' Financial statement
- d) Schedule 'C' Plant and equipment
- e) Schedule D1 & D2 Working experience (for works completed and in progress)
- f) Schedule 'E' Abandonment of work
- g) Schedule 'F' Sub contractors

- h) Schedule 'G' Engineers & Technical Staff
- i) Schedule 'H' Affidavit
- k) Schedule T' Additional information

The documents shall be sealed in an envelope and submitted to the above address on or before the scheduled time and date specified in the Notice Inviting Applications for Pre-qualification of Turnkey Contractors. The envelope shall be super scribed as "Application for Pre-qualification for Construction of Christian Medical College Vellore, Chittoor Housing for Teaching Hospital Project" and shall show the name(s) and address of the applicant(s).

4.3 If necessary, additional sheet can be added to the schedules. Such attachments should be clearly marked as follows:

Attachment 1 to Schedule "A", Attachment 2 to Schedule "A", etc.

4.4 While submitting the schedules duly filled in, applicant shall enclose latest copies of brochures and technical documentation giving additional information about the applicant and all the parties of the consortium, if any.

4.5 Each page of pre-qualification document shall be duly signed by the applicant or his authorised representative.

4.6 No costs incurred by applicant(s) in making this offer, in providing clarifications or attending discussions, conference, on site visits will be entertained for reimbursement.

4.7 Incomplete and inappropriately filled in applications are liable to be rejected.

4.8 The language for submission of Application shall be English.

4.9 In the event of any firm wishing to withdraw from pre-qualifications, the firm must return the document with an explanatory letter to the Employer. The enclosed schedules shall be filled in completely and all questions shall be answered and information required given. If any particular question/item is considered not relevant, it should be replied as "not applicable". Any question or item left blank will be taken as a negative qualification for that aspect.

4.10 Back up by specialised agencies/sub-contractors for certain items of work may be permitted, subject to the specific approval of the Employer to the items of specialisation and the proposed agencies/sub-contractors.

4.11 All works, including specialised items, shall be executed directly by the Contractor using their own resources. The Contractor shall possess adequate in-house manufacturing and/or fabrication facilities required for the execution of the works. Details of such in-house facilities, equipment, and manpower shall be submitted to the Employer for verification and approval prior to commencement of the work.

4.12 Financial data, project costs, value of works, etc. shall be given in Indian Rupee only.

4.13 Applications shall be accepted **only from single entities**. Applications made by firms in partnership or through joint ventures/consortia shall **not** be permitted and will be summarily rejected. The Applicant shall be a sole proprietorship or a single legal entity applying on its own behalf and not as a partner, associate, or representative of any other firm.

4.14 The applicant shall be of OEM or through its authorized dealer. OEM can submit its application through only one of its authorized dealers and submission of applications through more than one dealer is not admissible. Their Authorized dealer's applications shall be submitted with supporting letter from the OEM. Subletting of works to third party is not permitted.

4.15 Applications will be accepted only from **single OEM entities** possessing their own in-house manufacturing/fabrication facilities. Applications from partnerships, joint ventures, consortiums, dealers, agents or representatives shall not be permitted.

4.16 The Contractor shall submit full details of its manufacturing/fabrication facilities, production capacity, technical manpower and quality control systems for verification and approval by the Employer prior to commencement of work.

4.17 If the application is made by a limited company or a limited corporation it shall be signed by a duly authorised person holding the power of attorney for signing the application in which case a certified copy of the power of attorney shall accompany the application. Such limited company or corporation will be required to furnish satisfactory evidence of its existence before the contract is awarded.

4.18 The information furnished must be sufficient to show that the applicant is capable in all respects to successfully complete the envisaged work.

4.19 The applicant must have sound financial status.

4.20 The applicant must submit within the stipulated time additional information, if any asked by the Client.

4.21 Verification of Satisfactory Performance of the Contractor's work will be made a committee by approaching the owners of the building that have been successfully completed by the Contractor.

4.22 All recipients of document (whether they submit application or not) should treat the document as strictly confidential.

4.23 The decision of the ADMINISTRATION to accept or reject any application will be final. The Employer reserves the right to reject any or all pre-qualification application without assigning any reason.
