For Private Circulation Only

*Commit to the Lord whatever you do,
and he will establish your plans. Proverbs 16:3*

Prof. Santhi Lithiya Johnson

The Christian Medical College Vellore, bids farewell to Prof. Santhi Lithiya Johnson, Professor and Acting Head, Department of Psychiatric Nursing, College of Nursing, on her retirement on 6th July, 2026 after nearly four decades of dedicated service in nursing, education, research, and patient care. A proud alumna of the College of Nursing, CMC Vellore, she completed her Diploma in Nursing in 1989, Post Basic B.Sc. Nursing in 2000, and M.Sc. Nursing (Psychiatric Nursing) in 2010. In 2016, she was granted Senior Training Fellowship in Geriatric Psychiatric Nursing at the University of Kansas Medical Centre, USA. Prof. Santhi began her career as a Staff Nurse in the Cardio-Thoracic and Paediatric Departments at CMC Vellore. She later served as a Senior Charge Nurse in the Ministry of Health, Oman, from 1993 to 1998. On returning to CMC, she worked in Emergency Services, served as a Project Nurse in the Department of Psychiatry, and spent three years on a major research project under Dr K. S. Jacob, contributing to pioneering studies on schizophrenia and mental health outcomes. Many patients whom she followed during research studies continue to seek her guidance.

125 Years of CMC Vellore 1900-2025

**DID YOU
KNOW?**

"If I had waited until I had all the money I needed, this college would never have been built. I will start the fund with the ₹1.5 lakh given to me for fifty years of medical work in India." Dr. Ida Scudder

In June 2004, she joined the College of Nursing as a Tutor in Continuing Nursing Education, as a Publication Committee member of the Department and later worked in the P2 Ward. Following her M.Sc. Nursing, she joined the Psychiatric Nursing Department and is now retiring as Professor and Acting Head. A respected teacher and mentor, she was loved by students and staff alike for her approachable nature, encouragement, and genuine interest in their growth. Prof. Santhi has contributed extensively to psychiatric nursing through research publications, postgraduate mentorship, conference presentations, and service as a resource faculty member. She also held several institutional responsibilities, including serving as a Deputy Superintendent of University Exams, a member of the College of Nursing Research Committee, the Student Welfare Committee, and the Anti-Ragging Committee. She additionally contributed to international collaborative projects, including the CMC–Johns Hopkins University Wellness Initiative. The CMC family gratefully acknowledges her years of faithful service and wishes her good health, happiness, and God's richest blessings in the years ahead.

Indo-Pacific Global Health Case Competition

The Inaugural India Regional Chapter of the Indo-Pacific Global Health Case Competition, organised by the University of Melbourne was held in New Delhi on July 20th, 2026. Eleven teams from various universities in India took part in this competition, which was a health planning exercise on disability inclusive vaccination. The team worked for two weeks on finding sustainable and scalable solutions to ensuring equitable access to vaccinations for people with disability in India and presented their proposal to a panel of distinguished judges. We appreciate the students' hard work which resulted in CMC Vellore being awarded the joint First Place. Our student team consisted of Arnav Varghese (MBBS), Harsharitha Sundareswaran (MBBS), Teena P (BSc Medical Sociology), Vaishnavi K (MSc Nursing), Azuma M (MPH, team captain) and Pranay Jasper (MPH), mentored by Dr. Anu Oommen (Community Medicine). The team is grateful to other faculty from CMC and other places who were available to answer their queries and help them understand ground realities. The CMC team has now qualified for the next round which involves the top teams from India as well as teams from the University of Melbourne.

Sarcoma Awareness Programme-Striking Out Sarcoma – Know, Act, Prevent

The Sarcoma awareness programme was organised by the Surgical Nursing unit and General surgery Unit IV on July 18, 2026, on the theme “Striking Out Sarcoma – Know, Act, Prevent.” This journey began in 2025 with a simple yet a meaningful goal to create awareness about Sarcoma. Building on that foundation, this year we envisioned something bigger and we expanded the awareness by collaborating with Medical Oncology, Radiation Therapy and Orthopedics alongside General Surgery. This collaboration not only reflects the multidisciplinary approach that is essential to care for patients with sarcoma but also exemplifies the true spirit of teamwork and holistic care that CMC stands for. The awareness programme began with a health talk on sarcoma awareness and prevention in the General Surgery OPD on July 15, 2026.

Three innovative competitions were held, and the winners of these competitions were awarded prizes by the dignitaries during the Inauguration ceremony.

The prize winners are:

Innovative Patient Education Material Competition:

1st place – Ms. Caroline Kavitha, Charge Nurse, Stoma Care Services.

2nd place – Mr. Sunder Singh, BSc Nuclear Medicine Student

3rd place – Ms. Jezliah Jeyaraj, 1st year MSc. Nursing Student.

Sarcoma Grand Challenge – Quiz Competition

1st place – Ms. Aleena Paulose, Ms. Ashna Sainudeen, Ms. Priya Dharshini S, 2nd year BSc Nursing Students

2nd place – Ms. Sandhya Selvam, Ms. Deborah Lahmangailhhlui, Ms. Bency Biju, Staff Nurses, Accident and Emergency Services

3rd Place – Ms. Yoga Lakshmi B, Ms. Sneha S Chavadiyil, Ms. Mokana Priya L, Staff nurses, Accident and Emergency.

Journal Club Competition:

1st place – Ms. Beula Rose, 2nd year MSc Nursing Student and Ms. Jebarshilin Jemima A, 2nd year M.Sc Nursing Students

2nd place – Ms. Jessy Sweetie, 2nd Year MSc Nursing and Ms. Agape Gifta King, Staff Nurse, P3 Ward

3rd Place – Ms. Jaslin Deborah, Staff Nurse, SHDU

We thank almighty for enabling us to conduct yet another Sarcoma Awareness Programme this year. May we be ambassadors of this healing ministry through simple yet impactful ways and continue to emphasise how knowledge and preventive action can change the course of someone's journey.

Tamil Nadu Dr. M.G.R. Medical University Online Certificate Course on Plasma Exchange (PLEX) to Treat Rodenticidal Hepatotoxicity – 2nd Contact Class

The Contact Class for the 2nd (April 2026) Batch of the Tamil Nadu Dr. M.G.R. Medical University Online Certificate Course on Plasma Exchange (PLEX) to Treat Rodenticidal Hepatotoxicity was conducted on 4 July 2026 at CMC Vellore. This course aims to improve the knowledge and practical skills of doctors caring for patients with suicidal ingestion of phosphorus containing rodenticide. Dr. B.J. Prashantham, Director, Dr Prashantham Institute for Counselling Psychology, Vellore, delivered a session on the prevention of deliberate self-harm.

The inaugural function was graced by Dr. Gomathi Karmegam (State TAEI Coordinator, representing Tamil Nadu Health Systems Project (TNHSP)), Dr. Jayaprakash Muliyl (Former Principal, CMC Vellore), Rev. Biswadip (Chaplain), Dr. Reuben Thomas (Deputy Medical Superintendent), Dr. Dolly Daniel (TMIH department), and Dr. C.E. Eapen (Course Coordinator). Lectures on evidence about efficacy of PLEX, standardized PLEX protocol, CMC Vellore experience with PLEX to treat liver failure were followed by panel discussion on real-life case scenarios (Dr Parthiban, Toxicology department, Government Vellore Medical College) and a hands-on demonstration of the PLEX procedure with a visit to High Monitoring Area in the ward. Faculty from Hepatology and TMIH departments (CMC Vellore) were the resource persons. The programme brought together participants from multiple healthcare institutions across Tamil Nadu, providing a valuable platform for academic exchange and capacity building in the management of acute liver failure.

Advanced Workshop on Design & Analyses of Randomised Controlled Trials in collaboration with McMaster University

The Clinical Epidemiology Unit, in collaboration with McMaster University, Canada, organised a 5-day “Advanced Workshop On Design & Analyses Of Randomised Controlled Trials” between July 13 and 17, 2026 at the Stem Cell Research Centre auditorium, Rehab campus, Bagayam. The workshop began with an inauguration ceremony.

Dr. Vignesh Kumar, Professor, Clinical Epidemiology Unit and the course co-ordinator, delivered the welcome address. Rev. Joseph Devaraj, Chaplain, inaugurated the workshop with a word of prayer.

This was followed by the Chief Guest's address by Dr. Solomon Sathish Kumar, Principal, CMC Vellore. Dr. L. Jeyaseelan, Professor of Biostatistics, Mohammad Bin Rashid University, Dubai, Adjunct Professor, Clinical Epidemiology Unit, introduced the extramural faculty: Dr. Shrikant Bangdiwala, Director and Professor of Biostatistics, Population Health Research Institute, McMaster University, Canada and Mr. Kumar Balasubramanian, Statistical Operations Manager, Population Health Research Institute, McMaster University and Dr. Thambu David, Senior Professor, Clinical Epidemiology Unit. Dr. Shrikant Bangdiwala introduced the workshop to the participants.

The topics covered were; introduction to randomised controlled trials, research question, hypothesis, causal relationships, study designs, randomisation, sample size calculation including adjustments, statistical analysis plan, primary, secondary and sensitivity analyses, crude and subgroup analyses, regression analyses, interim analyses, group sequential methodology, conditional power, Bayes methodology, correlated data analyses – clustered and repeated measures data, Generalised Estimating Equations (GEE), Multilevel Modelling (MLM) & Cox regression model, interpretation of results, latest 'state of the art' in RCTs and a panel discussion with the faculty that also included Dr. Mohan S. Kamath, Director, Cochrane India Affiliate, CMC Vellore. The workshop consisted of lectures and group activity. Forty-eight participants from CMC and institutions from all over the country attended the workshop. The participants had a diverse background, including clinicians, statisticians, allied health and complementary medicine practitioners. The feedback was positive, with a suggestion to continue similar and advanced workshops in the future. The workshop was coordinated by the CEU faculty Mr. Madhan Kumar and Mr. Fredrick.

Sports News-Staff Cricket Tournament

Dr. Solomon Sathishkumar, Principal was the chief guest and distributed the prizes to the winners of staff cricket tournament for the year 2025 - 2026 on 18th July, 2026, a total of 32 teams participants. Dr. Balaganesan welcomed the gathering and proposed vote of thanks.

Results :

Winners : Rehabilitation
Runners up : Logistics Ranipet
Man of the Match : Mr. Manivannan, Rehabilitation
Man of the Series : Mr. Manivannan, Rehabilitation.

Special Prayers: August 02 - 08, 2026

Clinical Microbiology : Dr. Rani Diana Sahni and Staff

Clinical Virology : Dr. Mahesh Moorthy and Staff

CSI Vellore Diocese

Council Member : Rt. Rev. H. Sharma Nithiyanandham

Hospital : Scudder Memorial Hospital, Ranipet and CSI Hospital, Vandavasi.

Council for World Mission

Council Members : Rt. Rev. Dr. K. Reuban Mark

Eapen, Senior Professor of Hepatology was awarded the Tamil Nadu Medical Council Award 2026 (Category: Specialities and Research Awards) by the Tamil Nadu Medical Council for his exemplary service in the Medical field. The award was in recognition of the work done by Prof. Eapen and his team to reduce suicidal deaths due to rodenticide ingestion in Tamil Nadu. The award was presented by Thiru. Dr. K.G. Arunraj, Hon'ble Minister of Health, Medical Education and Family Welfare, Govt. of Tamil Nadu, in the presence of Dr. Darez Ahamed, IAS, Secretary to the Government, Health and Family Welfare Department, Govt of Tamil Nadu, on July 28, 2026 in Chennai.

Retirements

Mr. Mahalingam E, Hospital Attendant I, retired on 1st August 2026 after completing, 38 years of experience in our institution. His sincerity, hardworking, and unwavering commitment have been a source of inspiration to colleagues and to our institution. His wife, Mrs. Senthamarai is a homemaker. They have two sons. Their eldest son, Mr. Vijay, Hospital Attendant at Stem cell Research Centre, Bagayam Campus, their youngest son, Mr. Rajesh, is working as a Relation Manager at Northern ARC Capital Bank at Vellore. The CMC family expresses heartfelt gratitude for Mr. Mahalingam invaluable contributions and faithful service. We wish him good health, happiness, and peace in his retired life.

Obituary

Demise of **Mrs. Navamani**, Retired Hospital Attendant in OG 3, CMC Vellore, mother of Mr. S. James Albert, (Electrician, Electrical department) and Mr. S. Davidson, (Hospital Attendant, A Block) on 27th July 2026. Let us uphold all the bereaved members of the family in our prayers.

Upcoming Events

- **American Heart Association – International Training Centre (CMC, Vellore)**

Basic Life Support (AHA-BLS) Provider Course

(HeartCode® BLS – Blended Learning)

The American Heart Association (AHA) Basic Life Support (BLS) – HeartCode® Provider Course will be conducted on the **25th August 2026** at Paul Brand Building, CMC Vellore.

HeartCode® BLS is the American Heart Association's blended learning pathway for BLS training. This modern format combines a Self-directed online learning session and mandatory hands-on skills training & assessment.

The course structure comprises of two parts. Participants will:

1. Complete an interactive online module covering core BLS concepts, supported by videos.
2. Attend an in-person session for 3 hours, which includes: hands-on practice with real-time guidance, a focus on high-quality CPR, the use of an Automated External Defibrillator (AED), choking management for all ages (**Adults, Child & Infants**), and undergo a skills assessment session conducted by an AHA-authorized instructor in an approved simulation facility.

This course is based on the latest 2025 AHA / ILCOR guidelines and designed for Doctors, Nurses, and Paramedics. Limited seats available with Registration Fee of Rs.3500/- (includes study materials). **Last Date to register is 20th August 2026.** For registration, please contact Mrs. Nitha & Mr. Ganesh, Pediatric ICU, CMC Vellore (**Phone No. 0416 - 228-3366 / 9952389812**).

- **American Heart Association – International Training Centre (CMC, Vellore)**

American Heart Association –Paediatric Advanced Life Support (AHA_PALS) course

The American Heart Association –Paediatric Advance Life Support (AHA-PALS) provider course will be held on the **26th & 27th August 2026** at the Jacob Chandy Hall, Paul brand building, CMC, Vellore. This well known Paediatric Advanced Life Support Course, accredited by the American Heart Association and American Academy of Paediatrics, is valid internationally. The number of participants is strictly restricted to 18 as per AHA guidelines.

The registration fee is Rs.8000/- (cost of study materials included). The last date for registration is **20th August 2026**. This two day course is designed for healthcare providers (Doctors, Nurses, Paramedics) who initiate advanced life care in acutely ill children, beyond basic life support, through the stabilization or transport phases of a paediatric emergency.

The course is based on the **2025 guidelines** and is internationally valid. The course consists of lectures, videos, discussions and hands - on sessions based on simulated case scenarios and aims to train the participants in early recognition and emergency management of critically ill children with an emphasis on team concept. **For enquiries and registration, please contact Ms. Nitha or & Mr. Ganesh, Paediatric ICU (Phone No.0416-228-3366 / 9952389812).**

Applications will close on **August 15, 2026.**

3. IT Officer for the Department of Community Medicine

Job Code : 1672

Qualification : B.Tech Computer Science / B.Tech Data Science / B.E. Computer Sciences.

About the project: We are building a digital data collection system for a maternal and newborn health (MNH) clinical research study. The system involves complex multi-section electronic case report forms (eCRF) with conditional skip logic, eligibility gates and database integration.

Duties and Responsibilities: Data collection, data view only option for Data Managers, Data correction with maker and checker concept and Data download with all the restricted access and limited variables.

Experience: Healthcare / research data systems with minimum 8 years' experience.

Key Competencies : JavaScript, JQuery, JSON, Form handling (eCRF in HTML), Backend own expertise, AWS (server hosting), UTF-8/character encoding, SQL injection prevention, CSS3-Flexbox, Grid, animations, responsive design, strong debugging skills across browser, server and database, HTML5 – form elements, input types, structure.

Salary : Rs.50,000/- (Consolidated pay; no medical benefits).

Mode of Appointment : Project Mode. **Accommodation :** Not Provided.

Applications to be done only through the online application system.

Please log on to <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Note: Only online applications will be accepted; Hard copies will not be accepted.

Applications will close on **August 14, 2026.**

4. Project Manager (Two posts) for the Department of Community Medicine **Job Code : 1673**

Qualification : Master's in Public Health (MPH) or Previous experience in public health research, epidemiology or clinical research.

Join our research team! We are looking for a **motivated and enthusiastic Project Manager** to join a multidisciplinary team working on an ongoing **Pregnancy and Child Cohort Study**. This is an exciting opportunity for someone with a passion for maternal and child health research, project management and academic writing.

Key Responsibilities

- Co-ordinate day-to-day activities of the cohort study.
- Manage participant recruitment, follow-up, and study documentation.
- Oversee data collection, quality assurance, and project timelines.
- Liaise with clinicians, researchers, and collaborating institutions.
- Contribute to scientific writing, including manuscripts, abstracts, and grant applications.
- Participate in collaborative research projects and help develop new research initiatives.
- Assist with ethics submissions, project reporting and dissemination of research findings.

Desirable Skills

- Excellent organizational and project management skills.
- Strong written and verbal communication skills.
- Experience with research databases and data management.
- Interest in academic writing and publication.
- Ability to work independently and as part of a multidisciplinary team.
- Experience in maternal, child health, or cohort studies will be an advantage.

We Offer

- Opportunity to work on a high-impact longitudinal pregnancy and child cohort study.
- Mentorship in research methodology and scientific writing.
- Opportunities for collaborative research and publication.
- A supportive academic environment with opportunities for professional growth.

Salary : Rs. 40,000/- (Consolidated pay; no medical benefits).

Mode of Appointment : Project Mode. **Accommodation :** Not Provided.
Applications to be done only through the online application system.

Please log on to <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Note: Only online applications will be accepted; Hard copies will not be accepted.

Applications will close on **August 14, 2026**.

5. Project Officer (Admin) for Advanced Student Support Wing (ASSW-DEDU) Project for the Department of Distance Education Unit **Job Code : 1674**

Qualification : Any postgraduate (preferably MHA) with a minimum of two years of relevant work experience post-PG, preferably in the coordination and administration of online and blended learning distance courses in a higher medical/distance educational institution. The job involves management of online and onsite contact programs for blended learning courses, providing student support and replying to student queries through email/phone calls, and liaising with the course faculty. Effective organising and team interaction skills with the online course website and contact program management team; good written and verbal communication skills in English; the need to travel within the country during onsite contact programs; familiarity with Google Drive; maintenance of Google Sheet databases for online/blended learning course data management; and coordinating enrolling candidates for convocation and registration are essential. Basic knowledge of finance and accounting is also required.

Salary : As Per Institutional Rules. **Mode of Appointment :** Project Mode. **Accommodation :** Not Provided.

Applications to be done only through the online application system.

Please log on to <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Note: Only online applications will be accepted; Hard copies will not be accepted.

Applications will close on **August 14, 2026.**

6. Project Officer (Admin) for Community Health Promoter's Certificate (CHPC) Course for the Department of Distance Education Unit **Job Code ; 1675**

Qualification : Any graduate with a minimum of 2 years of work experience in healthcare work, preferably in a rural setting and/or an educational institution. The job involves managing the logistics for online and onsite contact programs for the students and handling students' assignments and projects, with regular travel across the country. Fluency in English, as well as Tamil and/or Hindi, is preferred.

Basic knowledge of the MS Office package is a must, especially handling students' data via Google Sheets; the use of the Zoom online app and Google Drive is preferable. Preference will be given to candidates with experience in facilitating blended learning courses.

Salary : As per institutional rules. **Mode of Appointment :** Project Mode. **Accommodation :** Not Provided.

Applications to be done only through the online application system.

Please log on to <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Note: Only online applications will be accepted; Hard copies will not be accepted.

Applications will close on **August 14, 2026.**

7. Psychologist for the Department of Community Medicine **Job Code : 1676**

We are seeking a motivated and enthusiastic Psychologist to join a multidisciplinary research team working on a longitudinal pregnancy and child cohort study. The successful candidate will play a key role in assessing child neurodevelopment, cognition, behaviour, and socio-emotional development using standardized assessment tools.

Key Responsibilities :

- Conduct neurodevelopmental, cognitive, behavioural, and psychological assessments in children across different age groups.
- Administer and score standardized developmental and behavioural assessment instruments.
- Interact with children and families in a sensitive, child-friendly, and culturally appropriate manner. Maintain accurate research documentation and ensure high-quality data collection.
- Work collaboratively with paediatricians, obstetricians, public health researchers, and other members of the study team.
- Participate in research meetings, data interpretation, manuscript preparation, and dissemination of findings.

Essential Qualifications :

- Master's degree in Psychology (Clinical, Counselling, Child, or Applied Psychology) from a recognized institution.
- Experience in developmental, cognitive, or behavioural assessment of children.
- Excellent communication and interpersonal skills.
- Ability to work independently as well as within a multidisciplinary research team.

Desirable Qualifications:

- M.A or MSc in Psychology or equivalent qualification.
- Previous experience in clinical or research settings involving children.
- Familiarity with standardized neurodevelopmental assessment tools.
- Experience in longitudinal cohort studies or public health research.
- Interest in scientific writing and publication.

- **We Offer :**
- Opportunity to contribute to an internationally relevant child health research programme.
- Training in standardized neurodevelopmental assessment techniques.
- Exposure to multidisciplinary and collaborative research.
- Opportunities to participate in scientific publications and conference presentations.
- A stimulating academic and research environment.

Salary: Rs.30,000/- (Consolidated pay; no medical benefits).

Mode of Appointment : Project Mode. **Accommodation :** Not Provided.

Applications to be done only through the online application system.

Please log on to <https://clin.cmcvellore.ac.in/cmccapp/listapplication.aspx>

Note: *Only online applications will be accepted; Hard copies will not be accepted.*

Applications will close on **August 14, 2026.**
